

Fleetwood Mac, It's Only Love

I think I met my match again
Passing 'round the candlelight
In the center of this blizzard
You stood and melted all the ice

Ah, it's only love
Ah, it's only love
Ah, if only love comes round again
It will have been
Worth the ride

You were master of so many
But savior to none
I waged all of my hopes so plenty
On you... now look what I've become

Ah, it's only love
Ah, it's only love
Ah, if only love comes round again
It will have been
Worth the ride
What a ride

Some days lonely is not only
A word... but faces I have known
And if you see me... could you free me
With a smile... so I can let go

Ah, it's only love
Ah, it's only love
Ah, if only love comes round again
It will have been
Worth the ride
