

# Fleetwood Mac, Rambling Pony No. 2

Written by Peter Green.

I'm a ramblin' pony  
Rollin' from town to town  
I'm a ramblin' pony  
Rollin' from town to town  
I'm a looking for a sweet woman - make my love come down

She's a married woman, yeah  
Only nine years old  
She's a married woman, yeah  
Only nine years old  
I got a woman I'm loving - keeps me fishin' all day long

break:

Now, I'm, thinking this old feeling  
Crossing this countryside  
Now, I'm, thinking this old feeling  
Crossing the countryside  
I've got a lover now - she won't let old Greeny ride

Now, I'm leaving this morning won't be back no more  
Now, I'm leaving this morning won't be back no more  
There ain't a rider in the city - keep me inside the door
