

Fleming And John, Sssh!

You had the prettiest blue-green eyes I'd ever seen
And I got a kick out of the way they looked at me,
Like I was a two-headed creature from another planet
That thrilled and excited you,
But you couldn't understand it

Don't tell my ears,
'Cause they're not listening.
Don't tell my heart,
It doesn't know what it is missing.
Don't tell my eyes,
I know they won't believe,
That you're not in love with me

We were inseparable,
You followed me around,
And I got used to this new friend that I had found.
I pictured us together,
I pictured us apart,
And I knew from that moment,
You were capable of breaking my heart apart.

Don't tell my ears,
'Cause they're not listening.
Don't tell my heart,
It doesn't know what it is missing.
Don't tell my eyes,
I know they won't believe,
That you're not in love with me.
