

Flesh Field, Redemption (The Aftermath)

Machines grind against each other,
Each one the same.
Never changing.
Each step brings them closer
To their own destiny.
Look around as they try to keep you
Locked into the cage of unyielding dreams

Change the way you live your life, and make a stand.
Don't conform to everyone and everything.
Don't let them tell you how to breathe, or how to live.
Set yourself free from the chains of hate and slavery.

I have learned through suffering.
I've been purified by pain.
I have taken all that I can, and I have no one to blame.
Distorted views through enraged eyes,
I'm blinded by my hate.
Nothing left to justifiable homicide.
Nothing left.
