

Flesh-N-Bone, If You Could See

11

Layzie bone:

23

Now, i think playtime is over.

5

12

Flesh-n-bone:

25

Yeah, what's happenin? platinum?

5

11

Layzie bone:

c

Nuttin?

5

12

Flesh-n-bone:

23

Man, you know what's happenin?

5

11

Layzie bone:

50

I'm just tryin?to see if i could see what you see. (if you could see what i

28

Could see ...) follow me. (rip ...)

5

12

Flesh-n-bone:

c7

If you can see what i can see (layzie bone: all aboard!) nothin?but real g's in back of me, that's my mo thug family. if you can see what i can see straight from the land of c-l-e, flesh bone, y

1f

Hug in harmony. follow me.

5

c7

Straight from the city of cleveland, and without no warning, bringin?a storm. feel the wrath, you won't escape it, baby, you might as well start mournin? i don't wanna blow my own horn, but nigg

c6

Think we the coldest. mo thug, our mighty warrior soldiers takin?over, you better know it. what's the deal? nigga, my trues stay real. i'm gonna make you feel this

when i pull out my steel, put

60

Ug in your grill. servin?these hoes up easily with a nine-millimeter glock, real murderers.

5

c7

Haven't you seen this killer befo? for sure you niggas heard of us. steady kickin?dust up in your face. ever since, i've tried to stay safe by keepin?bustas in their place. i'm known as the f-l-

c5

Slash b-o-n-e from the c-l-e-v-e-l-a-n-d. come on and follow me, let's see if you can see what i can see. better realize, my enterprise way too rowdy, you tried to test my size, but why? these

44

S can't fade the fifth dog when i parlay. everyday doin?it, how

31

We keep doin?it? thug style, that's our way.

5

12

Flesh-n-bone:

c7

If you can see what i can see (layzie bone: all aboard!) nothin?but real g's in back of me, that's my mo thug family. if you can see what i can see straight from the land of c-l-e, flesh bone, y

1f

Hug in harmony. follow me.

5

11

Layzie bone:

50

I bounce around like a gypsy, if you wanna holla, just hit me. i know these

c7

Jackers out to get me, but they just can't get with me. i swig my forty til it's empty. better crack my moi, let my senses stay on 'noid as i watch for my boys, and i ain't phony, homie, listen,

b2

N't got nothin?to lose. you critisize, but won't realize, you ain't never walked in my shoes. play by the rules or lose. i ain't tryin?to be comin?up stankin?for some fools.

5

c7

Make a mistake and fakin? straight up playa hatin? silly nigga, you should have been out here paper chasin? done got yourself off in some f**ked situation, straight facin?life vacation, try to p

c7

At yourself, you to blame. although, it'll never be the same, you wanna replay the game, shame, shame, shame. how you figure life an arcade? put your quarter in and play, but nobody's here to st

61

Ven me l.b. endin?up d-e-a-d. before you sleep six feet deep, i hope you see what i can see.

5

12

Flesh-n-bone:

c7

If you can see what i can see (layzie bone: all aboard!) nothin?but real g's in back of me, that's my mo thug family. if you can see what i can see straight from the land of c-l-e, flesh bone, y

1f

Hug in harmony. follow me.

5

f

Wish bone:

c7

And if all of y'all can see what i see, then you're probably rollin?with me, me, cause everybody knows who sees what i sees, are all apart of my mo (mo, mo.) thug family. steadily climbin? plati

c7

Hymin? leavin?these bustas straight behind me. hope it don't never end, stackin?dividends. just me, myself, my platinum friends. let's ride in a world so cold, world so cold. now look at these t

c7

Makin?major dough. now, look at these haters, wanna holla, hoes, wanna holla, hoes? what, what you're needin? buck, buck, and you'll be bleedin? and you don't wanna go out like that, do ya? caus

c6

You do, you're f**kin?with the right shooter. and if you wanna see what i see, this is all i see. when you hate me, what i see, and it's all f**ked up, up, up. said, it's all f**ked up, this is

c

See ...

5

12

Flesh-n-bone:

c7

If you can see what i can see (layzie bone: all aboard!) nothin?but real g's in back of me, ask my mo thug family. if you can see what i can see straight from the land of c-l-e, flesh bone, your

1b

In harmony. follow me.
