

Flick, Maybe Someday

Don't forget to smile
Over me
I know it's been a while since I
Let you breathe

Maybe Someday I'll find that one thing
That makes me feel like I wanna feel
Maybe Someday I'll find that one thing
That makes me feel like I wanna feel

I wish that I could call
I'm standing with my face against the wall
I believe but it's not sinking in
I believe but how could you forget it?

Maybe Someday I'll find that one thing
That makes me feel like I wanna feel
Maybe Someday I'll find that one thing
That makes me feel like I wanna feel

And how could you forget it?

Only you could make it better

Maybe Someday I'll find that one thing
That makes me feel like I wanna feel
Maybe Someday I'll find that one thing
That makes me feel like I wanna feel

And what I get from you is something nobody gives
(And how could you forget it?)
And what I get from you is something nobody gives
(And how could you forget it?)
And what I get from you is something nobody gives
(And how could you forget it?)
And what I get from you is something nobody gives
