

Flickerstick, Hey (Or When The Drugs Wear Off)

hey
you do it all the time
hey
you do it all

so take a breath i know you're feeling jaded
talk about the time that you left me naked and face down
hotel hallway
dallas, texas 3 am

but i know the telephone would ring
and you'd say all those beautiful things
how you do it all the time
how you get me on the line with your explanation

hey
you do it all the time
hey
you do it all

and when the drugs wear off
you find you're not so tough
you think that you are so special
you're high above the rest

but i know the telephone would ring
and you'd say all those beautiful things
how you do it all the time
how you get me on the line with your explanation

hey
you do it all the time
hey
you do it all

and now i know i got the right idea
no one's ever changing me again you see
and every little why, it's amazing how the year seems shorter
now i know, it's not what i'm used to today

and now i know i got the right idea
no one's ever changing me again you see
and every little why, it's amazing how the year seems shorter
now i know, it's not what i'm used to today

hey
you do it all the time
hey
you do it all the time
come'on now you do it all the time
you know that you do it all the time
come'on now you do it all the time
