

Flight Of The Conchords, Albi

In the Marmalade Forest (forest)
Between the make-believe trees
In a cottage cheese cottage ?
lives Albi (Albi)
Albi (Albi)
Albi the racist dragon

*Spoken*Part 6: and so, all of the villagers chased Albi the racist dragon into a very cold and very scary cave!
Anyway, at that moment he felt a tiny little hand rest upon his tail, and he turned around, and who saw it?
Albi: What are you doing here, I thought I killed you yesterday! (grumbled Albi quite racistly)
Boy: No Albi, you didn't kill me with your dragon flames. I crawled to safety! But you did leave me very scared!
(laughed the boy)
Why are you crying so?
Albi: I'm crying because all of those horrible villagers chased me into this scary cave! I think it's because of your racism!
Boy: No Albi, it's not because of your racism that they chased you here. They chased me here too because of my racism!
And that made Albi cry a single tear, which turned into a jellybean all colors of the rainbow!
And suddenly, he wasn't racist anymore.

So they sat in the cave (the cave!)
And ate bubblegum pie
YUM!
Albi
The racist....
Well, not anymore!
Dragon
