

Flip N Fill, I Miss You

talking

all i ever wanted is 2 know that u care
but all these feelings i have for you
i never knew it could go so wrong
i miss you

its to feel your touch
against my skin
i hear your voice
deep within

i see your face

so alone
so alone

i miss you
i miss you
i miss you
i miss you

everytime the rain falls down
everytime the heavens shine
summer through the winter time
i think of you

heaven knows i miss you now your gone
i miss you, i miss you
heaven knows i miss you now your gone
i miss you, i miss you

so alone

gone but love so surely
a place in time stands so still
treasured moments last forever
the love the lust so real
i miss you!
