Flirtations, Secret O' Life

Jimmy, Michael, Jon

The secret of life is enjoying the passing of time

There ain't nothin' to it

All you gotta do is do it

Nobody knows how we got to the top of the hill

Since we're on our way down

Might as well enjoy the ride

The secret of love is in opening up your heart

It's okay to feel afraid

So don't let that stand in your way

'Cause everybody knows that love is the only road

And since we're only here for a while

Might as well show some style

Hey hey hey, give us a smile

Isn't it a lovely, lovely ride

Sliding down, gliding down

Try not to try too hard

It's just a lovely ride

Now, the thing about time is that time isn't really real

It's just your point of view

How does it feel for you

Einstein said he could never understand it all

Planets spinning in space

The smile upon your face

Well, welcome to the human race

Isn't it a lovely, lovely ride

Sliding down, gliding down

Try not to try too hard

It's just a lovely...

Lovely, lovely ride

Sliding down, gliding down

Try not to try too hard

It's just a lovely ride

The secret of life is enjoying the passing of time.
