When I say jump, you say how high  
I aint never seen nobody, how they get so high  
Like a bird, like a plane, this party got me insane  
This party got me insane, so jump jump jump jump

(Verse 1 [Flo Rida])

Now Im gon take it to the roof  
Everybody with me got they own parachute  
You aint scared of heights when you sippin on Goose  
Party all night like Im flyin jet new?  
You aint never seen nobody get this loose  
Shawty actin naughty with her body, what it do  
Jump to this man, bump to this man  
Stomp to this man, crunk to this man  
Got another hit man  
Hold up, I wanna go up, dont wanna throw up  
My clique pour up, and every bad chick know us  
Dance, the boy got us all feelin high  
Ask, the shawty, Im a astronaut  
High rollin baby like Im jumpin on fire  
Super Bowl pimp good Year on tire  
Can I be a bird, I gotta be fly  
Butterfly and spur, and I got a couple words

(Chorus [Nelly Furtado])

X2

(Verse 2 [Flo Rida])

When I run up in the club, jump in, then I gotta be there  
Check it out, shawty like Nike Air  
Up up and away take it off like mere?  
NBA ballin, I dont care  
Now what do you do when you see you a shawty and she make it bounce in the room?  
Hey girl, come on baby, you a fine sexy lady, can I get on your hot air balloon?  
Sky high, still clubbin like Im part of the mile high  
Ears poppin, Bubbalicious help me get right  
Keep poppin in position after midnight  
Moese? fried chicken up in NY  
Jigga what, dont it feel good  
Houston? We gonna jump ship, all aboard  
Come around me, and well parlay, were throwed?  
Cali is jumpin, hit the switch on the 6 4

(Chorus [Nelly Furtado])
