Sugar

(Flo Rida)

Hey, I've got a mouth full of cavities.

Sweet tooth, full of mama, like sugar to me.

So my love with the lips, put a bug in the ear tone.

Shawty gotta kiss, it's an emergency.

Spit sprung for the taste, addicted to her gloss.

Won't smile this way, baby I rub it off.

Put my tongue in your face

A little mistletoe, sippin' Gram I A.

I'm a fan all day.

Do me that favor, cuz I like your flavor.

My manage behavior; I'm into your major.

Sweeter so flavor, that's good for this player.

My hood, now and later, throw back like a pager.

Pretty much, you're givin' me a sugar rush.

Lil mama, give me high blood pressure when you blush.

Lips feel soft as a feather when we touch, Shawty that's what's up.

Now and later, I don't wanna have to wait, you the one.

Yep! Yep! Your vision. So, so delicious.

Can't help my interest, candy addiction.

Wanna peace, to a piece gotta get a piece.

I don't know a piece, Give me all your sweets.

Bottom and top lip, bout to have a sugar feast.

Level with our trip, I'm a lip bitin' beast.

Man for them things, all 42 teeth.

Squeeze the sugar cane on your mouth, must beat.

Ain't your mama slirp, stickin', usin' my tree.

Like taffy but classy, get at me.

I'm flyly Let you know I wanna kiss.

But your lips, they'll do me fine.

Now baby don't trip with the juicy kind.

Get, get on the grip, Girl you ain't lyin'
