

Flo Rida, Zillionaire

I gotta ask: Where you been hiding?
You're like a 20 karat diamond
The finer things in life were shining
How about that late night wine and dining?

You want that expensive cloth
And I'mma give that five star experience
Yeah, show you that kinda love
That you can only get when you get the love

I spend it all on you,
Baby baby, just watch
A BMW, a Bugatti, thick rock
Get you a fancy act any chance I got
When I become a zillionaire
I'll spend it all on shoes for you,
Take your own pick
McQueen or Jimmy Choo and I'll get 'em real quick
Get you a fancy act any chance I got
When I become a zillionaire!
