

# Flo Rida, Zillionaire

I gotta ask: Where you been hiding?  
You're like a 20 karat diamond  
The finer things in life were shining  
How about that late night wine and dining?

You want that expensive cloth  
And I'mma give that five star experience  
Yeah, show you that kinda love  
That you can only get when you get the love

I spend it all on you,  
Baby baby, just watch  
A BMW, a Bugatti, thick rock  
Get you a fancy act any chance I got  
When I become a zillionaire  
I'll spend it all on shoes for you,  
Take your own pick  
McQueen or Jimmy Choo and I'll get 'em real quick  
Get you a fancy act any chance I got  
When I become a zillionaire!
