Flo Rida, Zillionaire

I gotta ask: Where you been hiding? You're like a 20 karat diamond The finer things in life were shining How about that late night wine and dining?

You want that expensive cloth And I'mma give that five star experience Yeah, show you that kinda love That you can only get when you get the love

I spend it all on you,
Baby baby, just watch
A BMW, a Bugatti, thick rock
Get you a fancy act any chance I got
When I become a zillionaire
I'll spend it all on shoes for you,
Take your own pick
McQueen or Jimmy Choo and I'll get 'em real quick
Get you a fancy act any chance I got
When I become a zillionaire!
