

Floetry, Fanticize

fanticize about you
Said everything that I want to do
Said everything
Just everything baby
Said everything and I fanticize

i want to do dumb things
im talking strolling in the park things
stealing kisses strutted on park swings in the daylight while the icecream van sings a little melody f
im talking some midnight dedications of rare grove tunes
and their all across London
we're usin real names too cause were not fazed by who called who a fool
see I want to do everything with you babe

I fanticize about you
Said everything that I want to do
Said everything
Just everything baby
Said everything and I fanticize

Forget takeaway babe ill cook you Chinese
Some fake kind of chicken and some muck kind of beef
Or we can eat with our favorite tune on repeat
We're only lit by those lights that illuminate the street
Now I wanna talk to you babe I just don't feel to speak
Feelin o so strong inside
Feelin so weak
And I want to um
I want to do everything with you

I fanticize about you
Said everything that I want to do
Said everything
Just everything baby
Said everything and I fatacize

Now we can run holdin hands
See I know that we can do this
In a field of purple grass sprayed with green and white tulips under a sky washed orange under an
You know what
I aint done yet
See I wanna catch a ride off some crimson colored stallion
We can sail a boat made of water straight into the horizon
And we can catch a lift off a cloud where the silver linings really platinum
And you know what
I still aint done yet
See I want to um
And I was thinking we could
And if you wouldn't mind
We could finish that with some
See

I fanticize about you
Said everything that I want to do
Said everything
Just everything baby
Said everything and I fanticize

Yo I want to go shopping with you
Me and you strollin down some high street lookin for his and hers gloves just to protect ourselves fr
I want to be on the phone with you for hours and hours and hours and hours and hours and hours
Talkin about nothing
In every single way possible
See im not worried about your future babe

Cause after tonight I plan on bein in your history forever
Were gonna renanme stars
Rename animals
Colors
You know why
Cause this planet is ours

I fanticize about you
Said everything that I want to do
Said everything
Just everything baby
Said everything and I fanticize
