

# Floetry, Feelings

This is about being grown  
Feelings  
Being mature  
Yeah  
Being brave  
Can you be brave  
Feelings  
Listen

I'm emotional, Your emotional  
Could be why we always argue our  
Conversations short we can talk enough  
Just become much to difficult  
I Don't know what to do  
I Don't know what to prove  
This is more than me  
And so much more than you  
We must make it through said you and I  
I can't decide

[Chorus]  
I just can't decide  
If it's you i want  
Don't want to choose between Having you in my life  
Or losing you for real  
Cuz I've got feelings (i'll falling in love with our feelings)  
Feelings  
Because I've got feeling (yeah)  
Feelings (I'm not afraid of the feelings babe)

I'm a stubborn girl  
Your a stubborn guy  
Could be why we fight all the time  
If It's not your way  
Then It must be mine  
Can't communicate  
Can't even compromise  
I Don't know what to do  
I Don't know what to prove  
This is more than me  
And so much more than you  
Can we make it through  
I can't decide

[Chorus]  
I just can't decide (i can't decide)  
If it's you i trust (trust babe)  
Don't want to choose between (choose between)  
Having you in my life  
Or telling you goodbye  
Because I've got feelings  
Feelings (yeah)  
Because I've got feelings  
Feeling

We have to die alone though  
Because I've got feelings  
So dramatic Romantic

Ohhh I just can't pretend  
That your just a friend  
You took It futher  
Passion still remains  
Her we are again

Beacuse we got feelings  
Feelings  
Because we got feelings  
Feelings  
I can't even believe were here  
After all we been through
