

Floetry, Headache

[Intro:]

Im Feelin Low On Energy
I Feel Weak
U See

[Chorus:]

I Get A Headache
Owwwww
Owwwww
I Get A Headache
Owwwww
Owwwww

[Verse 1:]

Listen
At First U Said I Do
But Now It's Like Did
Said Together We Should Live
Now Your Mad When Time We Spend
Use To Be
Jealous Of My Freinds
And Fill My Weekends But
Now Your All For Past Times Playin'
Games With My Mind
Ya Layin The Blame In My Lap But
Delayin Layin In My Bed
Yo I Meant What I Said When
U Weren't Listenin' And
Im Not Sayin It Again

[Chorus]

[Verse 2:]

Yo
Said Im Not Sayin It Again
Ya Need To Know That
See Im Commin' To The End
Of My Silent Partnerin'
Or Bargaining For Affection
I Gain Satifaction From Regulation
Bare Minimum
Your Mind Is Made On
A Bain Oppinions From Aquaintences
Whose Situations Suggest Loneliness
I Tried To Leave But U Protest
Professing U Love Me But
Cant Show Me Lovin'
U Want Out But
U Keep Me In
Patients Runs Thin
As U Go Through Your Motions
I Cry Oceans
Tears Become Orphans
As My Soul Leaves Its Apartment
I Get Migranes
Pastranes
Tears Stains
And Fear Gains
With Increases In The Pain
Yo
I Get A Headache

[Chorus x2]

I Need To Lie Down
I Need My Rest
I Need...
Yo Its Too Loud
Its Too Loud
Turn The Music Down
Can Someone Turn The Music Down
Its...
Its Hurtin My Head
Please
Just Turn The Music Down
I Got A Headache
