You know your existence

has kinda been recognized by the resistance to dream

Eventually becoming a way of life to me

Enough to keep contemptment

through waking hours to courting shades

in those early days

math was exchanged

i kinda had to build up the courage to jus say

Hey...hello...remember me (hello) i jus felt...jus to say

How r u..how r u babe hello

how r u babe how r u babe hello

How r u babe how r u babe hello

How r u babe how r u babe hello  
How r u babe how r u babe hellooooooooo
