

Floetry, Subliminal

Yo, do you feel clever?

No, forget what everyone else has to say, do you feel clever.

It's like,

I live in whatever like is

Always raining, similar, never the same

See the game don't play that,

So I speak maybes and if onlys,

Instead of I ams and fallen memories,

All that don't feel to good to be,

But my geneology registers adaptibility,

And that bitch,

feels like it's fixed.

Cause my great grandmother spoke of this exact same thing.

I use rhyme but I think she used to sing,

Or just bring her force to a circle of women.

And they be aligning chakrias and mediatating,

bad vibe vaccinating, evil energy eliminating as well as debating on how to raise the children and lo

But today we're more caught up in Ricki Lakes and Jerry Springer.

Becoming Numb.

Now that's the title of my narrative base, novel of fiction.

But still my facination is loyal,

To how we manage to stay, we, human. a once civilized nation, or so they told me, yo.

Just seeing how we fight to be

instill it in your sight to be

it subliminal, subliminally, subliminal, sibliminally.

Just seeing how we fight to be

instill it in your sight to be

it subliminal, subliminally, subliminal, sibliminally.

You,see,

Breast was a blessing so I owe no shit,

Obligation is a choice, but this choice I select who to share my love with,

love me and be in

Cause I believe that I am leaving with most of

submerged in

is a messed up situation

so stay stationed is the advice that I leave

To those who can't come to those you won't proceed

You can stay right here

And if you ever pass go, do not collect 200, I repeat do not collect

So I'm this disputing being openly happy, when it serves so well to be depressed

Any attempt of smiling needs impecable timing

Make the suit sweet by allowing them to feel that they suited the situation to the masses, to the ma

keep them pushing beemers

my friend I may not be able to deliver a benz to you

But I can give you piece of mind

piece of mine

Define ownership,

Now will your mothership take with it what you purchased at your outlet

So my friend once again I'll just give you piece of mind

[laughs]

Just seeing how we fight to be

instill it in your sight to see

it subliminal, subliminally, subliminal, sibliminally.

Just seeing how we fight to be

instill it in your sight to see

it subliminal, subliminally, subliminal, sibliminally.

[Vocals]

[x2: Over Vocals]

Just seeing how we fight to be
instill it in your sight to see
it subliminal, subliminally, subliminal, sibliminally.
Just seeing how we fight to be
instill it in your sight to see
it subliminal, subliminally, subliminal, sibliminally.
