

Floetry, Supastar

(feat. Common)

[Intro: Natalie & (Common)]

(Yeah)

This is a message from the mother

(Let's go girl)

She told me to tell my brother

She loves you...and I do too

(Yes yes)

Cause you're my SupaStar

(You're my SupaStar)

You are

(SupaStar)

Yeah

(Come on)

[Verse 1: Marsha]

It's a pretty day, let's go outside and enjoy it

If you got something else in mind, then I'm all for it

I will take the chance, I will take your hand

Then we'll go there, go there...

Love isn't something that you earn, it's deserved

Love is something I can give cause I'm worth it

You amaze me

I am taken in

You're so lovely

I can

[Chorus (x2)]

I can see you

Tell me what you wanna do

I know who you are

You're my SupaStar

[Common]

My man said Heaven is a day away

If in the present, you loving a braver way

I wear the aura of a king, and dream of a love supreme

As a child, I was told that my love is king

Seen what it could bring to the lives of those

That ain't afraid to give with they souls exposed

Golden rose, you color my reality with balladry

Allowing me to love like a child that's free

I'm proud to be your SupaStar

[Verse 2: Marsha]

My love is honest & true, and I can prove it baby

My love is everything to you, if you choose it baby

You're amazing

I'm so taken in

You're so lovely

I can

[Chorus (x2)]

[Natalie]

You know I liked him so much

It turned into loving

Then the love back to like,

Now I feel like I'm bursting

Well nursed him and named him

so full of potential

He stands tall, our feel is eternal

Fine like the earth, and the sea, and the sky

Together we make stars, we are truly fly
I wanna paint him, take a picture of his soul
The story should be told
See he's like everything I dreamed of
But better than the preview
Now everything he working on
Has got me saying "Me too!"
Like he food and I need, blood cause he bleed
He real 'cause I see, it's all meant to be
Remember how to make believe
Yo, these brotha's are your enemy
You're in a state of disbelief
Without your heart you'll never be
So sisters sing along with me
'Cause your love is true

[Chorus (x2)]

[Outro: Marsha]

You're my supastar
My love is honest & true, and I can prove it baby
Prove it baby, I can prove my love to you
My love is honest & true, and I can prove it baby
I can prove my love, Yeah Yeah
