

# Flogging Molly, Between A Man And A Woman

Between a man and a woman  
Life begins again  
Between love and confusion  
There lies only pain

Take my word, Heal my soul, Shake my pride, I'm too proud to let go  
Give me the sun, The moon above, If the stars should fall, Then Only heaven knows

Between a man and a woman  
It's everything or nothing at all  
Everything or nothing at all  
Everything or nothing at all

Neither a rhyme nor a reason  
Will make us think the same  
You tell me I'll half crazy  
But you're insane  
Look at me on your mirror  
Staring at your face  
In love with my own reflection  
Or in need of a change

Take my word, Heal my soul, Shake my pride, I'm too proud to let go  
Give me the sun, The moon above, If the stars should fall, Then Only heaven knows

Between a man and a woman  
It's everything or nothing at all  
Everything or nothing at all  
Everything or nothing at all

She says love me like you did  
You did before  
He says love me like you did  
You did once more

Between a man and a woman  
It's everything or nothing at all  
Everything or nothing at all  
Everything or nothing at all

Take my word, Heal my soul, Shake my pride, I'm too proud to let go  
Give me the sun, The moon above, If the stars should fall, Then Only heaven knows
