

# Floorfilla, Kosmiklove

Andromeda, Antares  
Orione, Proxima Centauri&lt;br&gt;  
It's a kosmiklove&lt;br&gt;  
kosmiklove, ko ko ko-smiklove....  
kosmiklove, ko ko ko-smiklove....&lt;br&gt;  
Looks like we're in heaven  
shooting up above  
on a rocket to the future  
to look for kosmiklove  
we are the people of the future  
callin' starship &quot;Dove&quot;  
will you let us be your teacher?  
and teach you kosmik love.... &lt;br&gt;  
It' a kosmiklove.&lt;br&gt;  
kosmiklove, ko ko ko-smiklove....  
kosmiklove, ko ko ko-smiklove....&lt;br&gt;  
We are the people of the future  
callin' starship &quot;Dove&quot;  
will you let us be your teacher?  
and teach you kosmiklove&lt;br&gt;  
We hear the sound of someone callin'  
voices from a star  
it's the signal we've been waiting  
a message from afar
