

# Flotsam And Jetsam, Saturday Night's Alright

Originally performed by Elton John

It's getting late have you seen my mates  
Ma tell me when the boys get here  
It's seven o'clock and I want to rock  
Want to get a belly full of beer

My old man's drunker than a barrel full of monkeys  
And my old lady she don't care  
My sister looks cute in her braces and boots  
A handfull of grease in her hair

Don't give us none of your aggravation  
We had it with your discipline  
Saturday night's alright for fighting  
Get a little action in

Get about as oiled as a diesel train

Gonna set this dance alight  
'Cause Saturday night's the night I like  
Saturday night's alright alright alright

Well they're packed pretty tight in here tonight  
I'm looking for a dolly who'll see me right  
I may use a little muscle to get what I need  
I may sink a little drink and shout out "She's with me!"

A couple of the sound that I really like  
Are the sounds of a switchblade and a motorbike  
I'm a juvenile product of the working class  
Whose best friend floats in the bottom of a glass
