

# Fluffy, Crossdresser

Slut angel selling acid punch  
Dominatrix with a submissive glance  
Botticelli with a tattooed bust

Chorus

She tried as hard as she could  
But not as hard as he thinks she should  
So she's a  
Crossdresser  
He'll never possess her  
Crossdresser  
Deceit under pressure  
And when she was bad  
She was very, very bad  
And when she was good  
She was horrid

He's so embarrassed when she lets herself go  
So she acts like a good girl, puts on a show  
All this pretence leaves them both feeling low, but
