

# Fluffy, I Wanna Be Your Lush

I wanna be your lush  
Your little bit of fluff  
Lock me in a cage  
Don't wanna act so tough

Tie me down honey  
Make me feel secure  
Bliss me up baby  
For you I will be pure  
Chase me  
Catch me  
Possess me  
I wanna be your lush

I wanna be your kitten  
Caress my fur  
Suffocate me with a whisper  
Hear me purr

Tie me down honey  
Make me feel secure  
Bliss me up baby  
For you I will be pure  
Chase me  
Catch me  
Possess me  
I wanna be your lush

Tie me down honey  
Make me feel secure  
Bliss me up baby  
For you I will be pure  
Chase me  
Catch me  
Possess me  
I wanna be your lush  
Drown me in your lust  
I wanna be your lush

I wanna be your strawberry  
Devour my flesh  
Taste my sickly sweetness  
Sweeter than the rest

Tie me down honey  
Make me feel secure  
Bliss me up baby  
For you I will be pure  
Chase me  
Catch me  
Possess me  
I wanna be your lush

Tie me down honey  
Make me feel secure  
Bliss me up baby  
For you I will be pure  
Chase me  
Catch me  
Possess me  
I wanna be your lush  
Drown me in your lust  
Your little bit of fluff

I wanna be your  
I wanna be your  
I wanna be your lush
