To keep on holdin on, holdin on  
To keep on holdin on, holdin on

Ya'll Know niggers tryinna do (yes I do)  
My hip shaking mama, I love you (i know)  
Ya'll Know niggers tryinna do (yes I do)  
My hip shaking mama, I love you (i know)

To keep on holdin on, holdin on  
To keep on holdin on, holdin on

No! No! No!  
Holdin on  
Can tame you lose, no, no!  
Cause I need all the joy you bring, oh!  
Hey, I can't let you go with nobody  
Cause I love you baby, yes I do!

Ya'll Know niggers tryinna do (yes I do)  
My hip shaking mama, I love you (i know)  
Ya'll Know niggers tryinna do (yes I do)  
My hip shaking mama, I love you (i know)

Don't give you everything I hope  
Cause I gotta, gotta keep holding on, holding on  
I can't let you go away no, let you get away, no, no!  
You keep holding up, you keep holding up, no, no!
