

Fly To The Sky, I Don' T Know Love (monologue)

Your confession captivated me and like that you approached me.
Your smile filled my two eyes because it was you who was so sunny.
It was like that then. To me who was hindered easily
by loneliness, you were so much more than I deserved.
I was really sorry. Don't lean on me anymore. No, don't think about me.
I who doesn't know love, You who only looks to me,
I am so sorry for all of my wrong doings.
Forget all of me, because I won't have any memories.
Because for you, I have to erase even the smallest attachment.
This thing call love, is such a hard thing
Because with such trifling things it gives you pain.
I still don't know who I really am.
I have to find myself, so that I can meet you.
I who doesn't know love, You who only looks to me,
I am so sorry for all of my wrong doings.
Forget all of me, because I won't have any memories.
Because for you, I have to erase even the smallest attachment.
I know, even though I can't tell you.
This is going to be love.
I can't go now to that end.
If its you, then I could go anywhere in the world.
I am so sorry for all of my wrong doings.
Forget all of me, because I won't have any memories.
Because for you, I have to erase even the smallest attachment.
