

Flyleaf, Beautiful bride

Beautiful diversity
Functioning as one body
Burn everybody
Everybody learning
To put up with another
Incredible
And invincible
You're incredible
Unbreakable
Ref:
Beautiful bride
Body of Christ
One flesh abiding
Strong and unifying
Fighting ends in forgiveness
Unite and fight all division
Beautiful bride
Send me an angel
Train your fingers for battle
Emergency's here now
Train your fingers for battle
Why don't you try this
With your feet wrapped in peace (I don't think it's peace, but its better then nothing.....)
Sad tears and silence
With screams of joy
Victory
Ref:
Beautiful bride
Body of Christ
One flesh abiding
Strong and unifying
Fighting ends in forgiveness
Unite and fight all division
Beautiful bride
Beautiful bride
Body of Christ
One flesh abiding
Strong and unifying
We're not gonna to fall and forget
How far He went to pick us up
If one part is hurt the whole body's sick
If one part mourns we all mourn with Him
With this we sing with you
Hallelujah! (x4)
Beautiful bride
Body of Christ
One flesh abiding
Strong and unifying
Fighting ends in forgiveness
Unite and fight all division
Beautiful bride...
