

Flyleaf, So Sick

I will break, into a fight
With what's written on my heart
I will break, break.

I'm so sick,
Infected with, where I live
Let me live without this
Empty bliss,
Selfishness
I'm so sick, I'm so sick

If you want more of this
We can push out, sell out, die out,
So you'll shut up, shut up.
And stay sleeping
With my screaming in your itching ears

I'm so sick,
Infected with where I live
Let me live without this
Empty bliss,
Selfishness
I'm so sick, I'm so sick

Hear it, I'm screaming it
You're heeding to it now

hear it, I'm screaming it
you tremble at this sound

You sink into my clothes
This invasion makes me feel
Worthless, hopeless, sick

I'm so sick,
Infected with where I live
Let me live without this
Empty bliss,
Selfishness
I'm so... I'm so sick

I'm so sick,
Infected with where I live
Let me live without this
Empty bliss,
Selfishness
I'm so (I'm so) I'm so sick (I'm so sick)x2
