

Flys, Got You Where I Want You

Got You Where I Want You

Hey, what's the point of this?
Oh hey, what's your favorite song?
Maybe we could hum along.

Well, I think you're smart,
You sweet thing,
Tell me your name,
I'm dying here.

Ah Hoo '
Got you where I want you, again x2

Hey, maybe just a smile.
Oh hey, did you know that I can dance?
Could we talk for awhile?

Well, I think you're smart,
You sweet thing,
Tell me your sign,
I'm dying here

Ah Hoo '
Got you where I want you, again
Got you where I want you,
where I want you, I want you

Suffer, Suffer,
You know you get no rubber,
Gone with a pretty girl
Changing me like no other.

Suffer, Suffer,
You don't get no rubber,
Would you like a minute to
Put that thing on your lover?

Ah .. I think you're smart,
you sweet thing
Tell me your name,
I'm dying here

Ah Hoo '
Suffer, Suffer, (all sung in background)
You know you get no rubber,
Gone with a pretty girl
Changing me like no other.

Suffer, Suffer,
You don't get no rubber,
Would you like a minute to
Put that thing on your lover? "...x2
