

Foch Tsuki ft. MakirQ, Don't see

Don't see on me!
I see on you!
Don't see!
I see!
You slide more in black
To be not visible almost your body
Treat I hear
Low sighs of your pleasure
I see!
Don't see!
I see on you!
Don't see on me!
You wink with little eye wonderfully
Eye-lash was has turned up beautifully
You also
You wind up on wild party
Ref.
Don't see on me!
I see on you!
Don't see!
I see!
I see!
Don't see!
I see on you!
Don't see on me!
Don't see on me!
I see on you!
Don't see!
I see!
Prostitutes are for money
How oneself guy drink
This will go to bed
From first better
I see!
Don't see!
I see on you!
Don't see on me!
And how guy will dip
Penis in chocolate
Then him woman will lick off
No, no, no, you will not force me
Ref.
Don't see on me!
I see on you!
Don't see!
