

Foghat, Fool's Hall Of Fame

Dave Peverett - Knee Trembler Music - ASCAP

When my picture's in a frame, in the Fool's Hall of Fame,
There'll be no one you can blame but me.
She was mean and so unkind, a two-faced woman with a one-track mind,
I was so blind I could not see.

I believed all her lies, and bad alibis,
Yes and everyone was wise, but me.
Now I see that I've been mislead, about everything she said,
Call me a fool and I'll agree.
