

# Foghat, Nothin' I Won't Do

Peeverett / Price - Knee Trembler Music - ASCAP

I don't care what you need girl, a lover or a real good friend,  
If you're lonely, you need somebody I'll be with you 'til the end.

Nothin' I won't do,  
Ain't nothin' I won't do.  
Ain't nothin' I won't do,  
I'll do it all for you.

I know you ain't no angel - you're sure goin' do some harm,  
I love you baby, you must be crazy to stick a needle in your arm.

Nothin' I won't do,  
Ain't nothin' I won't do.  
Ain't nothin' I won't do,  
I'll give it all to you.  
Hey-hey

{Rod - Solo}

Walkin' on a tightrope, one slip and you're bound to fall.  
Slow down baby, watch your step - don't run before you learn to crawl.

Nothin' I won't do,  
Ain't nothin' I won't do.  
Ain't nothin' I won't do,  
I'll give it all to you.

{Riff - Dave - Solo, Rod - Solo}

I saw you buy your ticket and the fireman rang the bell,  
You feel so good, it's just like heaven sure gonna give you hell.

Nothin' I won't do,  
Ain't nothin' I won't do.  
Ain't nothin' I won't do,  
I'll give it all to you.

Yey baby, nothin' I won't do,  
I'll give you my time, and my money too.  
You want my love, I'll give it all to you,  
You know it's true, do what you want me too.
