

# Foo Fighters, I'll Stick Around

I thought I knew  
all it took to bother you  
every word I said was true  
and that you'll see  
how could it be  
I'm the only one who sees  
your rehearsed insanity  
I still refused  
all the methods you abused  
it's alright if you're confused  
let me be  
I've been around  
all the pawns you've gagged and bound  
they'll come back and knock you down  
and I'll be free  
I've taken all and I've endured  
one day this all will fade I'm sure  
I don't owe you anything [x4]  
I had no hand  
in your ever desperate plan  
it returns and when it lands  
words are due  
I should've known  
we were better off alone  
I looked and I was shown  
you were too  
I've taken all and I've endured  
one day this all will fade I'm sure  
I don't owe you anything [x8]  
I'll stick around [x2]  
and learn from all that came from it
