## Foo Fighters, I'll Stick Around

I thought I knew all it took to bother you every word I said was true and that you'll see how could it be I'm the only one who sees your rehearsed insanity I still refused all the methods you abused it's alright if you're confused let me be I've been around all the pawns you've gagged and bound they'll come back and knock you down and I'll be free I've taken all and I've endured one day this all will fade I'm sure I don't owe you anything [x4] I had no hand in your ever desperate plan it returns and when it lands words are due I should've known we were better off alone I looked and I was shown you were too I've taken all and I've endured one day this all will fade I'm sure I don't owe you anything [x8] I'll stick around [x2] and learn from all that came from it
