

# Foo Fighters, Learn To Fly

Run and tell all of the angels  
This could take all night  
Think I need a devil to help me get things right  
Hook me up a new revolution  
Cause this one is a lie  
We sat around laughing and watched the last one die  
I'm looking to the sky to save me  
Looking for a sign of life  
Looking for something to help me burn out bright  
I'm looking for a complication  
Looking cause I'm tired of lying (trying)  
Make my way back home when I learn to fly  
I think I'm done nursing the patience  
It can wait one night  
I'd give it all away if you give me one last try  
We'll live happily ever trapped if you just save my life  
Run and tell all the angels that everything is alright. . .  
Fly along with me, I can't quite make it alone  
Try and make this life my own
