

# Foo Fighters, Life Of Illusion

Sometimes I can't help feeling that I'm  
Living a life of illusion  
And oh, why can't we let it be  
And see through the hole in this wall of confusion  
I just can't help the feeling I'm  
Living a life of illusion  
Pow, right between the eyes  
Oh, how nature loves her little surprises  
Wow, it all seems so logical now  
It's just one of her better disguises  
And it comes with no warning  
Nature loves her little surprises  
Continual crisis  
Hey, don't you know it's a waste of your day  
Caught up in endless solutions  
That have no meaning, just another hunch  
Based upon jumping conclusions  
Endless solutions  
Backed up against a wall of confusion  
Living a life of illusion  
Living a life of illusion  
Living a life of illusion
