

# Foo Fighters, Low

Well you  
Are you in there?  
I'm stuck outside you  
Ooh ooh  
We could use  
One another  
Another like you  
Ooh ooh  
You'll be my  
Passerby  
I'm the only  
One to pass through  
Screws inside  
Turned so tight  
Turn it on you  
I'll hang it on you  
Ooh ooh  
Baby blue  
Don't go nowhere  
I'm right beside you  
Ooh ooh  
And you  
Go nowhere  
I'm right beside you  
Ooh ooh  
You'll be my  
Passerby  
I'm the only  
One to pass through  
Screws inside  
Turned so tight  
Turn it on you  
I'll hang it on you  
Take it as low as you'll go  
Low as you'll go  
Low as you'll go  
Low as you'll go
