

Foo Fighters, Low

Well you
Are you in there?
I'm stuck outside you
Ooh ooh
We could use
One another
Another like you
Ooh ooh
You'll be my
Passerby
I'm the only
One to pass through
Screws inside
Turned so tight
Turn it on you
I'll hang it on you
Ooh ooh
Baby blue
Don't go nowhere
I'm right beside you
Ooh ooh
And you
Go nowhere
I'm right beside you
Ooh ooh
You'll be my
Passerby
I'm the only
One to pass through
Screws inside
Turned so tight
Turn it on you
I'll hang it on you
Take it as low as you'll go
Low as you'll go
Low as you'll go
Low as you'll go
