

Foo Fighters, Nothing At All

Utwór 'Nothing At All' z albumu 'But Here We Are' od Foo Fighters (premiera 2 czerwca 2023r.)

I've been meaning to tell you
I've been out of my head
Put my arm on your doorstep
Get you out of my bed
Maybe I'm delusional
Is that so unusual?
Didn't mean to offend you
Was it something I said
Put your face in a locket
Throw me off of the ledge
Maybe I'm insatiable
I'm feeling so sensational

I'll get by or maybe I won't
I can lie, say that I don't
Waste my time, baby I know
It's everything or nothing at all

Everything or nothing at all
Everything or nothing at all
Everything or nothing at all
Now that all the feeling is gone
Everything or nothing at all

Need a new superstition
One I'll never regret
[?] in my pocket
Put your chain on my neck
Wouldn't it be dangerous
If nothing was restraining us

I'll get by or maybe I won't
I can lie, say that I don't
Waste my time, baby I know
It's everything or nothing at all

Everything or nothing at all
Everything or nothing at all
Everything or nothing at all
Now that all the feeling is gone
Everything or nothing at all

Never mind, love and hate
Peace of mind, it's a bit too late

I'll get by with nothing at all
Waste my time with nothing at all
Fill my mind nothing at all
It's everything or nothing at all

Never mind, love and hate
Peace of mind, it's a bit too late
Never mind, love and hate
Peace of mind, it's a bit too late
