

# Foo Fighters, The Glass

Utwór 'The Glass' z albumu 'But Here We Are' od Foo Fighters (premiera 2 czerwca 2023r.)

I had a vision of you  
And just like that  
I was left to live without it  
Left to live without it  
I found a version of love  
And just like that  
I was left to live without it  
Left to live without it

Waiting for this storm to pass  
Waiting on this side of the glass  
But I see my reflection in you  
See your reflection in me  
How could it be?  
How could it be?

There is something between us  
Between me and you  
There is something between us  
I see right through  
I see right through

I had a version of home  
And just like that  
I was left to live without it  
Left to live without it  
I had a person I loved  
And just like that  
I was left to live without him  
Left to live without him

Waiting for this storm to pass  
Waiting on this side of the glass  
But I see my reflection in you  
See your reflection in me  
How can it be?  
How can it be?

There is something between us  
Between me and you  
There is something between us  
I see right through  
I see right through

There is something between us  
Between me and you  
There is something between us  
I see right through  
I see right through

I had a vision of you  
And just like that  
I was left to live without it  
Left to live without it  
Waiting on this side of the glass
