

# Foo Fighters, Up In Arms

the rain is here  
and you my dear  
are still my friend  
it's true the two of us  
are back as one again  
I was the one who left you  
always coming back  
I cannot forget you girl  
now I am up in arms again  
together now I don't know how this love could end  
my lonely heart  
it falls apart for you to mend
