

Fool's Garden, Does Anybody Know

Today my baby left me with a smile upon her face
she was talking japanese about some individual space
and now I find myself inside this jumbo bed
I cannot eat not sleep nor move
Oh god I feel so sad

Why did you do it ?
She said : lift up your head my boy
Why did you do it ?
You know there aint no need to cry
Why did you do it ?
It will be funny when I die

Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Yeah, yeah, yeah !

She didnt even realize that I changed my mind today
Oh god she was as cold as ice and she didnt melt away
When I told her shes the only one and I would always love her
She said Ill always love you too my boy but more just like a brother

Why did you do it ?
She said : lift up your head my boy
Why did you do it ?
You know there aint no need to cry
Why did you do it ?
It will be funny when I die

Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Does anybody know ?
Can anybody say ?
Will she ever come
Back in anyway ?
Yeah, yeah, yeah
