

Footloose, Almost Paradise

i thought that dreams belonged to other men
cuz each time I got close they'd fall apart again
i feared my heart would beat in secrecy
i faced the nights alone Oh how could i have known
that all my life i only needed you

ooo almost paradise we're knocking on heavens door
almost paradise how could we ask for more?
i swear that i can see forever in your eyes
paradise

it seems like perfect loves so hard to find
i'd almost given up, you must have read my mind
and all these dreams i saved for a rainy day
they're finally coming true, i'll share them all with you
cause now we hold the future in our hands

ooo almost paradise we're knocking on heavens door
almost paradise how could we ask for more?
i swear that i can see forever in your eyes
paradise

and in your arms salvation's not so far away
its getting closer, closer every day

almost paradise we're knocking on heavens door
almost paradise how could we ask for more?
i swear that i can see forever in your eyes

paradise
paradise
paradise
