

# Footloose, Never

I feel your heart  
It's beating time with mine  
But love love love is on the line

He hold you down  
But I know you want to run  
You're hot hot loaded like a gun

Oh you feel so trapped and confused  
Start with nothing and you've got nothing to love

(Chorus)  
You can NEVER never never ever hide your heart  
Don't you ever ever ever ever try it  
If you don't give your heart wings you'll  
NEVER never never ever fly

Break down the walls  
You've got to cut the ties  
There's pain pain burning in your eyes

It's time to fight  
It's time for tearing free  
Oh come come running straight to me

Oh you know he don't love you like i do  
Don't make believe that you don't feel it too

(Chorus)
