

For Squirrels, 8:02 Pm

Will she ever go
Will she ever show
Could it be the sound of the engine?
Do I hear the sound of the door slam?
Is it real or am I dreaming

I just want to hold the sun
I just want my day to come
gotta, gotta, gotta, gotta
I really need this one...

Gone but not forgot
Gone but not forgotten
Do I hear the sound of a plane crash?
Do I hear the sound of a clock turn?
Is it real or am I dreaming of

I just want to hold the sun
I just want my day to come
gotta, gotta, gotta, gotta
I really need this...

Will she ever go
Will she ever show
Could it be the sound of the engine?
Do I hear the sound of the door slam?
Is it real or am I dreaming of

I just want to hold the sun
I just want my day to come
Gotta, gotta, gotta, gotta

Do you wanna go

I'd like to go
