

# Foreigner, Feels Like The First Time (2008 Rema

I would climb any mountain  
Sail across the stormy sea  
If that's what it takes me, baby  
To show how much you mean to me

And I guess it's just the woman in you  
That brings out the man in me  
I know I can't help myself  
You're all in the world to me

It feels like the first time  
It feels like the very first time  
It feels like the first time  
It feels like the very first time

I have waited a lifetime  
Spent my time so foolishly  
But now that I've found you  
Together we'll make history

And I know it must be the woman in you  
That brings out the man in me  
I know I can't help myself  
You're all my eyes can see

And it feels like the first time  
Like it never did before  
Feels like the first time  
Like we've opened up the door  
Feels like the first time  
Like it never will again, never again

(It feels like the first time) It feels like the first time  
(It feels like the very first time) Talkin' 'bout it feels  
(It feels like the first time) Oh, it feels like the first time  
(It feels like the very first time)

Won't you open up the door?

It feels like the first time  
It feels like the very first time  
It feels like the first time  
It feels like the very first time

It feels like the first time  
It feels like the very first time
