

# Foreigner, I Don't Want To Live Without You

I find myself in a strange situation  
And I don't know how  
What seemed to be an infatuation  
Is so different now  
I can't get by if we're not together  
Ooh can't you see  
Girl, I want you now and forever  
Close to me  
I'm longing for the time  
I'm longing for the day  
Hoping that you will promise to be mine  
And never go away

I don't want to live without you  
I don't want to live without you  
I could never live without you  
Live without your love

I ask myself but there's no explanation  
For the way I feel  
I know I've reached the right destination  
And I know it's real

I'm longing for the time  
I'm longing for the day  
When I'll be giving you this heart of mine  
Believe me when I say

I don't want to live without you  
I don't want to live without you  
I could never live without you  
Live without your love

No I don't want to live without you  
I don't want to live without you  
I could never live without you  
Live without your love

Now I don't want to live without you  
I don't want to live without you  
I could never be without you  
Be without your love

I don't want to live without you  
Live without your love  
Live without your love  
You see I'm lost without your love

Ooh...oh  
Without your love
