## Foreigner, Long, Long Way From Home

It was a Monday A day like any other day I left a small town For the Apple in decay

It was my destiny It's what we needed to do They were telling me I'm telling you

I was inside looking outside The millions of faces But still I'm alone Waiting, hours of waiting Paying a penance I was longing for home

I'm looking out for the two of us I hope we'll be here when they're through with us

I was inside looking outside Oh the millions of faces But still I'm alone Waiting, hours of waiting I could feel the tension I was longing for home

I'm looking out for the two of us And I hope we'll be here when they're through with us I'm coming home

Monday, sad, sad Monday She's waiting for me But I'm a long, long way from home

Sad, sad Monday She's waiting for me But I'm a long, long way from home

Sad, sad Monday Oh she's waiting for me But I'm a long, long way from home
